## May 2011

### President's Message:

We've done it - transitioned to all Sunday afternoon events. It has taken us two years to switch over and we think all of you will be happy with our new calendar. We have also consolidated a bit so be sure to check our calendar of events. For example Gartenfest and Wurstfest have been combined into one event which will be held in September. Instead of an August event at the clubhouse we will be sponsoring a trip (see information elsewhere in the newsletter).

The Kitchen Task Force is thrilled that our new dishes have arrived. They are somewhat lighter in weight - the old ones were so awfully heavy - and there is a mug thereby eliminating having saucers to handle. Our kitchen cabinets are breathing a sigh of relief. We often wondered how they managed to stay attached to the wall with all that weight. We are happy to say that the old dishes are being donated to the soup kitchen operated by the Clinton Avenue United Methodist Church. This church is not far from our club house and is trying to become "Green" by ending the use of paper plates.

There is still room on the bus for our trip to Maine. Ogunquit is a delightful resort community with miles of beach to roam on. Also the trip is arranged in such a way that you could have two free days if you opt out of the Kennebunkport tour. Think about it. These trips are great fun and are the fundraisers which have helped us upgrade the kitchen.

There are many things to do in the Ogunquit area and a great trolley system to take you around for a small fee. Deep sea fishing may be an option for some of you, there is a really neat excursion along the coast to the Nubble Lighthouse, and there is a wonderful art museum not far from town. In the village itself are many shops and eateries. You can walk the beach for miles in low tide and the Marginal Way along the cliffs is easily negotiated with fantastic views (plenty of benches also).

I am looking forward to seeing many of you at our Spring Concert which will be under the direction of Assistant Music Director Sherry Thomas. Kudos to Sherry for her wonderful demeanor and for getting us into shape for this concert. I also serve as Historian/Archivist for the Maennerchor and at the concert I will reveal the many concert locations that were submitted in response to my little quiz in the last newsletter.

Happy Spring to you all and here's hoping we have a super summer this year. We all look forward to seeing you soon.

Hildegard

## Become a Monday Knight

Yes Monday is rehearsal night, BUT we are open for all members. While the singers are rehearsing Richard is manning the barroom. Stop in to visit, renew friendships and make new ones. It would be especially nice if former singers would drop in. We miss you.

The club is open from approximately 6:15 to 9:00 p.m. most Monday evenings from September to May. If in doubt, call first.

# Scholarship

Some of the most important and most rewarding aspects of our work in furthering and advancing our chorus in preserving and promoting German culture, heritage, and tradition through music and song is that of educating our youth and scholarship.

Each May we bestow scholarship awards to graduating high school students who have excelled in the German language studies in our area schools. We also donate to the Rhinebeck - Rheinbach Cultural Exchange Program.

Scholarship Committee Chairperson Linda Koemel and her committee of Walter Bruchholz, Franz Heigemeir, and Ruth Miller had the heartening opportunity of selecting the scholarship recipients again this year. Congratulations to the scholarship winners; we wish you success and a pleasant journey in your future endeavors.

This year's recipients are above average students, leaders in their schools, with musical interests, and a strong desire to learn and appreciate German culture and tradition. They are the future of our community and we have an obligation to encourage, support, and assist them as they continue to study, learn, and promote our values and customs.

We are a charitable 501c3 not for profit organization. Please send your tax-deductible donations to help us continue support the future leaders of our German-American community.

## OMA & OPA'S CORNER

From time to time we will try to highlight the adventures of our children and grandchildren. If you have an especially proud moment to share, please pass it on to Hermann for inclusion in our newsletter.

**Amanda Rose Brunner**

Linda and Herman's Granddaughter Amanda continues to enjoy music, reading, sports, and school. She is now an 8<sup>th</sup> grader in Onteora Junior High and has maintained High Honors in all three trimesters. She plays on the Field Hockey and Softball teams - plays piano, clarinet, and guitar - and sings with her church and school choruses.

Amanda is the Captain of her four member reading team where students are challenged to read a total of 18 books in 10 weeks. The 12 teams are then challenged in the "Battle of the Books" a literature based contest that culminates in a "Jeopardy" style competition with questions based only on the 18 books. Her team took 1<sup>st</sup> place in last years competition. Perhaps they can take on "Watson" in their next challenge!

## **This Wouldn't Happen To Us !**

Three retirees, each with a hearing loss, were playing golf one fine March day. One remarked to the other, 'Windy, isn't it?' 'No,' the second man replied, 'it's Thursday.' And the third man chimed in, 'So am I. Let's have a beer.'

## **THE ATLANTIC TIMES**

A Monthly Newspaper from Germany

A very interesting monthly newspaper, The Atlantic Times, arrived at the Maennerchor this month. Not knowing a thing about this publication, I sent an e-mail to their editorial office in Berlin. The following information is a synopsis of the reply I received from Janine Kulbrok in their Advertising/Editorial Office as well as information from their website.

The Atlantic Times was founded in October 2004 by publisher Detlef Prinz, executive editor Theo Sommer, and the two editors-in-chief Rafael Seligman and Bruno Waltert. It's editorial office is in Berlin, it is printed in the United States and has a circulation of 50,000.

The Atlantic Times is based on the idea that the foundation for every relationship is getting to know one another better. The articles are written by prominent leaders and top German and American journalists who address issues important to both countries.

Each month it is sent directly to members of the United States Congress as well as the key decision makers and leaders in business, politics and science in the United States and Canada. It can also be found on Lufthansa's transatlantic flights.

The target groups are decision-makers and leaders in politics, business, science, education, research, culture and the media as well as think tanks and organizations promoting the transatlantic dialogue.

In glancing through the April 2011 edition, some of the article headings I find are: The flip-flop coalition - the policy U-turns of Angela Merkel's government; New York is back in Berlin - Martin-Gropius-Bau is showing contemporary drawings from MoMA; Stabilizing the euro; record profits for DAX companies and, A capital city for bikes (Berlin). The articles truly cover the gamut from economics to art. Very interesting and not difficult to read.

If you are interested in receiving this newspaper it is free to subscribers in the United States. A digital copy can be downloaded at [www.atlantic-times.com](http://www.atlantic-times.com) Also available on-line is a form to subscribe for a hard copy. The hard copy received at the clubhouse will be available for members.

## **Memorial Day**

Memorial Day is when we remember all those who have served in the armed forces and especially those who gave their lives. At this time in the history of our country we are involved in military actions all around the globe. Lives are lost and changed in so many ways.

Perhaps we all should consider how we can help American's military families. There are many organizations to be considered. Here are three which you might want to look into:

**Our Military Kids** - [www.ourmilitarykids.org](http://www.ourmilitarykids.org)

To ease the burden for military families who often can't afford extras, this group raises money to provide grants for sports, arts, and tutoring programs for the kids of National Guard and Reserve members, as well as wounded soldiers.

**Snowball Express** - [www.snowballexpress.org](http://www.snowballexpress.org)

Founded in 2006, this organization coordinates an annual holiday celebration for the children of troops who have died while serving our country.

**Operation Shower** - [www.operationshower.org](http://www.operationshower.org)

This organization throws baby showers for military moms-to-be whose spouses are serving overseas.

# TALENT CORNER

**Manuel Wagner** - Grafenau Bayern In 2005 my cousin Karlheinz & Liesel Kleinbub from Grafenau in the Bavarian Forest visited us. Our singers may remember that they joined us in singing at the German Festival at the PNC Center in Homesdale, NJ. Last summer Linda and I returned the visit and Karlheinz introduced us to his 17 year old neighbor Manuel Wagner. Manuel was finishing his junior year of school and musical training at the prestigious Auersperg Gymnasiums Passau Freudenhain [www.freudenhain.de](http://www.freudenhain.de) He brought his accordion and performed for us for several hours.

In September 2010 Manuel entered his senior year at the Academic High School for Music in Passau. He travels one hour each way everyday and this year his concentration is on piano. He has written and performed his music since he was five and has won numerous awards throughout Germany (2006 4<sup>th</sup> Prize in Baden-Baden. 2007 1st Prize in Fürth.) He recently took the 2<sup>nd</sup> Place Award in the Youth Musician Competition in Lübeck.

Manuel has already released three CDs with music he has written, *Spitzbua Manuel "Karaoke, nix für mi"*, *Ein Kompliment an Grafenau*, and his latest in 2010 *Von Volksmusik bis Klassik*. You can visit his website and purchase a CD at [www.manuel-wagner.de](http://www.manuel-wagner.de)
